While Sulu was away at Command Training, Lt. Desalle has made himself comfortable with the responsibility of running the Bridge of the Enterprise when Captain Kirk is off duty. Upon Sulu's return to Enterprise, he is dismayed to find Desalle in the Captain's chair hardly paying Sulu any mind. Once Sulu re-asserts himself as the XO on the bridge, he takes the Ship out for a shakedown based on his homework from Command Training ...

Featuring Ron Boyd as Lieutenant Vincent DeSalle and introducing John Lim as Lieutenant Commander Hikaru Sulu in a Star Trek New Voyages short written by Erik Korngold and directed by Erik Goodrich. "Center Seat" is a fast-paced, action-packed, and humorous character-driven piece that strikes a familiar tone with fans of the original series. The score by Patrick Phillips remains faithful to the sound of classic Star Trek, capturing the adventure and fun of this vignette.

German Dubbed version available: German's are used to seeing Star Trek dubbed into German, that is with German voices instead of the original English. In collaboration with MindCrusher studios, we have produced our first episode dubbed into German. Please download that version from the German language part of our website.
